

TRAINING AND PLACEMENT (2010-11)

The College has a Training and Placement Cell for the benefit of students. The Cell has been very active ever since its inception. It trains the students for Employability skills through Aptitude Tests, Group Discussions, Mock Interviews Communication Skills etc thereby preparing the students to face the Campus Interviews with confidence.

The vital role of the Cell is to mould the students through vigorous training to face the challenges of future and help them get placed them in MNCs

The Cell arranges various workshops, which highlights the avenues and opportunities for the students by bringing eminent personalities and trainers from various Industries. T&P Cell is also responsible for maintaining Industry-Institutional Relationships through which it has approached many companies and brought them to the campus for recruitment. It receives continuous support from professional bodies like NIPM (National Institute of Personal Management) and CII (Confederation of Indian Industry) and Companies like NLC (Neyveli Lignite Corporation), TCS (Tata Consultancy Service) Chennai and L&T (Larsen and Turbo Ltd) Chennai, HLL, HCL Infosystems Ltd, BERGER PAINTS, MARICO Industries, SUZLON ENERGY Ltd, RANE BRAKES Ltd, IBM-LENOVO-Pondicherry, etc.

Apart from training and developing the students, the Cell takes initiative in arranging FDP (Faculty Development Programs) by eminent consultants, to empower the faculty members with the latest trends in order to enhance their skills in innovative methods of teaching.

The Cell's other activities include arranging Industrial Visits and In -plant training. Some of the Companies in which the students have undergone In -plant training are ISRO,BSNL, LENOVO, ACE GLASS CONTAINERS, INDIAN RAILWAYS, BHARAT ELECTRONICS etc. Students are also periodically advised on opportunities available for higher education both

within and outside India by arranging seminars/workshops on Overseas Education.

The T& P Cell is instrumental in motivating the students about their career opportunities and helps them to achieve their goals.

Training Activities

The Management of the Institution had taken a conscious decision to concentrate on providing soft skills training to all the students across the board with tailor made schedules/capsules for each year of Engineering. This bridges the gap between the College and Corporate enabling the students to be readily absorbed by Industry as they would meet the Industry expectations by possessing the required Employability Skills.

The major training activities carried out during academic year 2009 -10 are as under :-

(a) Faculty Development Program by Prof (Dr)T.Jagathrakshakan of National Institute of Technical Teachers Training and Research (NITTTR), Taramani, Chennai in Jul 09.

(b) Induction Training (12 Hours) for First year B. Tech students by Mrs. Devi Balaji of College to Corporate, Chennai

(c) Communication Skills Training Program (15 hours) for Second year B. Tech/First MCA students by M/s. Innovative Services, Chennai

(d) Career Skills training program (24 hours) for Third year B. Tech /Second year MCA students by Mrs. Devi Balaji of College to Corporate, Chennai

(e) Aptitude Training (15 hours) for Final B. Tech/MCA students by M/s. Innovative Services, Chennai

(f) Mission 10 X Faculty Empowerment Program by M/ s. Wipro Technologies Ltd ,Chennai from 01 to 05 Feb 10.
